

Business English Mini Group

Business English Mini Group course is designed to help you make maximum progress in a short time. You will study in a small class of only six students.

THIS COURSE IS SUITABLE FOR STUDENTS

- are 30+
- are Intermediate to Advanced level.
- want to learn the language of business
- want to improve your career.
- prefer small class sizes with a maximum of six students.

WHAT CAN YOU EXPECT ON THIS COURSE?

More individual attention

Studying in a more intimate class of just six students creates a strong class dynamic and allows you to spend more time in direct contact with your teacher.

Your specific linguistic needs will be identified, monitored and met by your teacher, allowing for more personal encouragement, feedback and help.

Flexible and personal

Fewer class members and creative, responsive teachers allow lessons to take a natural flow. As you feel an increased sense of participation and motivation, your course will adapt to cover the language areas and skills that you need to focus on.

Improve fluency quickly and effectively

The flexibility of our teachers combined with a small class size means lessons can progress at a faster pace. You will improve your 'thinking time', in terms of listening, comprehending and responding, which are essential for your fluency.

Smaller classes, more confidence

In a smaller group you will enjoy a more relaxed atmosphere and stronger relationships within your class. Your confidence will grow as you feel safe and secure, with more opportunities to interact with your classmates and teacher.
