

For Students under 18 Years of Age Living in Homestay

For many of you, this will be your first time away from home as well as your first experience of a foreign country. Many things will be very different and rather unsettling. Your host will understand this, and will make a special effort to include you and make you feel welcome in their home.

You are expected to return to your residence at the end of your day. If you are under the age of 18 you are not allowed to be away from your Homestay later than the times listed below, without permission from the College/Caregiver. You must inform your host/Caregiver and request permission from the College/Caregiver if you would like to stay out later or be away overnight or for a weekend.

The rules written below form part of **“The Guidelines to Students Living in Homestay”** and must be followed by all students under 18 years who are living in Homestay.

1. Students under 16 must be home by 7:30pm Sunday to Thursday, and by 9pm on Friday and Saturday nights. Students over 16 must be home by 9pm Sunday to Thursday, and by 10:30pm Friday and Saturday nights.
2. You must always call your host family if you are not going to be home for dinner.
3. Staying overnight at any other accommodation must be approved in advance by the College/Caregiver.
4. You must not bring friends into the host’s home, without first gaining permission from the host.
5. You must not enter premises where alcohol is sold, for example: bars, nightclubs and casinos.
6. The use of false identification is a criminal offence.
7. You must undertake not to access inappropriate/offensive internet sites.
8. The possession of banned substances is a criminal offence.
9. You will endeavour to maintain a 100% attendance at College and make good progress in your studies.
10. You must follow all College rules and regulations.

If you break these rules you may place your course in jeopardy and may be returned to your home country.

I agree to follow these rules and “The Guidelines for Students in Homestay” and understand the Homestay host/Caregiver will advise the College if I breach any of the rules or guidelines.
