LEISURE CONTACT PERSON

"Hello! My name is Alain and I am the Student Services & Leisure Supervisor at EC Malta. I was born in a small, secret country and first came to Malta ten years ago - to study English at EC in fact. I fell in love with the island and decided to come back the year after... and that's when I started working for EC. I hold a Master's degree in Business Administration and in my free time I like to do sports, especially gym and running." Alain
